WELCOME TO 2018

Highview College was buzzing this week with enthusiastic Year 7 students commencing their journey and confident Year 11 and 12 students entering their final years of Secondary schooling. It is always a fantastic feeling when the quiet buildings and empty classrooms are once more filled with young people, purpose and engagement.

Schools are living things. They breathe student energy, thrive on the purpose of learning and are nurtured by friendships and collaboration. Schools need the alliance of teachers and students, like a living thing needs oxygen.

The work of learning is hard. There would be no growth without challenge and there would be no development without a change in what we know and what we can do. Doing what is hard is what we do. We do it together with determination and purpose and in an environment where

taking risks to achieve growth is safe and valued and recognized as important.

Our shared values guide everything we do. 'GRACE' encapsulates how we behave, interact and manage ourselves. We are all guided by a shared commitment to Growth, Respect, Aspiration, Compassion, and Excellence.

CONGRATULATIONS HIGH ACHIEVERS

40 Year 12 students completed an ATAR pathway in 2017 at Highview College.

38 of these received their first round preference for tertiary placement. 36 in Victoria through VTAC, one in Queensland through QTAC and one in NSW through UAC. This is very high level of personal achievement for our entire 2017 cohort.

We are delighted for them all and wish them every success in their futures.

YEAR 12 AWARDS EXPLAINED

At Year 12 the maximum study score in a VCE subject is 50. To be awarded a Subject Dux or Academic Excellence Award, students must have attained a score of 40 or more. This places them in the top eight percent of Victorian students for that subject.

The Australian Tertiary Admissions Rank, or ATAR, is a percentile score up to 99.95 which indicates a student's ranking relative to his or her peers upon completion of their Secondary education. For example, an ATAR Score of 95.0 means that a student performed better than 95% of his or her peers.

The awards presented represent outstanding achievement in the following categories:

- Subject Excellence Awards for students who attained a study score of 40 or higher
- Subject Dux Awards for those students who attained the highest Study Score in their subject with a scaled or unscaled score of 40 or higher.
- ATAR Academic Merit for students who attained an ATAR Score of 70 and higher
- ATAR Academic Excellence for students who attained an ATAR Score higher than 80

Not all our High Achievers want to be publically acknowledged for their successes. However, some allow us to celebrate with them and we enthusiastically do!

2017 YEAR 11 HIGH ACHIEVERS IN YEAR 12 SUBJECTS

IMPORTANT NEWS FROM THE BOARD

INVITATION

Members of the Highview community are invited to an information meeting to discuss the proposed new constitution for the company that operates the College: Highview Christian Community College Limited.

In May 2017 the College Board established a constitution sub-committee to review the existing 45 year old constitution and to develop a document that:

- incorporates the current requirements of the Corporations Act and the Australian Charities and Not-for-profits Commission Act
- is expressed in contemporary language and layout; and
- generally ensures the governance of the College is properly regulated

The constitution sub-committee adopted an ambitious target of preparing an updated constitution for consideration by company members by March 2018.

Before company members are asked to vote on the proposed new constitution, at a specially convened general meeting in March, the Board has decided there will be an information meeting to enable the document to be introduced to members, along with the rationale for any changes proposed.

The meeting will take the form of a presentation, highlighting proposed changes, and be followed by a question and answer session. Copies of the proposed constitution will be available on the night.

The meeting will be to provide information and to answer your questions. No decisions will be made.

Decisions about whether to adopt or reject the proposals will be made at the general meeting of company members on March 27.

Quality springs from good leadership and leadership depends on sound governance. The constitution provides the foundation of good governance so it is important we get it right.

Information meeting details:

Day: Tuesday 27 February 2018

Time: 7.00pm

Place: Geoff James Theatre, Highview College

Your attendance will be welcomed

Chair / Constitution Sub Committee

SCHOOL PHOTO DAY

All students will have received a personalised envelope for the upcoming school photos on **Friday 16 February**. This envelope is to be handed directly to the MSP photographers on the day.

All students will have their photo taken, for School records, even if parents/guardians do not wish to purchase any.

This is also a reminder that, as per School policy, correct and full Summer School uniform should be worn.

Ms Marion Martin
Deputy Principal - Pastoral Care

SUN SMART

As a Sun Smart school, we place great importance on observing Sun Smart practices. These include the compulsory wearing of hats during recess and lunchtimes and for all outdoor class activities in Term 1 and Term 4. School hats are available from Macks and are the only acceptable headwear. This information is also included in the Student Planner.

We also recommend the wearing of sunscreen, which is available at any time Reception and the Gym. Remember Slip, Slop, Slap, Seek, Slide.

UNIFORM REMINDER 2018

Wearing a uniform assists in creating an identity for the school and aids in developing pride and unity in the sense of belonging to the school community.

A uniform promotes a sense of inclusiveness, antidiscrimination and equal opportunity, while reinforcing the understanding that our school is a safe and respectful environment.

It is an expectation of enrolment that students will respect the uniform and that families will assist us in ensuring that it is worn well. Students who arrive at school dressed inappropriately may be supplied with items which will be charged to his/her parent/guardian account.

A student who is out of uniform due to extenuating circumstances should explain their situation to the Pastoral Care Co-ordinator. Parents or students experiencing difficulty should contact the school for support. We do have emergency supplies of some uniform items that we are happy to supply.

Any families wishing to donate items may also assist others through this program.

HIGHVIEW SCHOOL BAGS

The Highview College School bags are compulsory for all students in Year 7-11 in 2018. Last year students in Years 7-10 were advised to purchase these. There are three reasons for this item being introduced and compulsory.

1. The bags come with a lifetime guarantee on zips and seams
2. We will no longer use separate computer bags, as these school bags have a built in protection section for computer travel
3. The School bag will be able to be sold secondhand when students graduate

If families are finding it difficult to purchase the school bag, please contact the school. All students in Years 7-11 are required to have this item before the end of February 2018.

PRIVATE MUSIC PROGRAM 2018
