HOUSE SWIMMING CARNIVAL

The weather was kind for our House Swimming Sports held on Wednesday 21 February at the Maryborough Outdoor Pool. The events were very competitive and the swimming was excellent. The scores were very close all day, with the relays set to decide the winner.

Congratulations to our Year Level Swim Champions (see next page) and to all students who were involved in the day. All participants competed well, with some outstanding individual efforts. Two records were broken on the day;

F Yr 8 50m Backstroke - Emmerson Wood (Chisholm) 37.06s

M Open 50m Butterfly - Lachlan Bates (Butler) 38.38s

After a day of great racing, the scores were close, and it came down to the relay events to decide the overall winner. Chisholm were the eventual champions, a well-deserved win with House Captains Abbey Devereaux & Ailie McGibbon doing

a great job to fill events and get many competitors involved for their House. Well done Chisholm!!

**Chisholm 1149
Campbell 1038
Butler 1028
Wesley 943**

A big thank you to the House Captains and staff involved for their efforts in making the day so successful.

Mr Luke Treacy
Sports Co-ordinator

While he is there he will referee at the 2018 Kanga Cup Tournament, which is the largest international youth football tournament in the southern hemisphere, with teams from all over Australia and overseas. This is Liam's second selection, having also participated in 2017.

John McNamara (Private Music Teacher)

On winning Song of the Year for "Bad Reputation" at the recent 2018 Australian Blues Music Festival Awards. John also received nominations for Album of the Year and Artist of the Year.

SUN SMART

As a Sun Smart school, we place great importance on observing Sun Smart practices. These include the compulsory wearing of hats during recess and lunchtimes and for all outdoor class activities in Term 1 and Term 4. School hats are available from Macks and are the only acceptable headwear. This information is also included in the Student Planner.

We also recommend the wearing of sunscreen, which is available at any time Reception and the Gym. Remember Slip, Slop, Slap, Seek, Slide.

IMPORTANT NEWS FROM THE BOARD

INVITATION

Members of the Highview community are invited to an information meeting to discuss the proposed new constitution for the company that operates the College: Highview Christian Community College Limited.

In May 2017 the College Board established a Constitution Sub-Committee to review the existing 45 year old constitution and to develop a document that:

- incorporates the current requirements of the *Corporations Act* and the *Australian Charities and Not-for-profits Commission Act*
- is expressed in contemporary language and layout; and
- generally ensures the governance of the College is properly regulated

The Constitution Sub-Committee adopted an ambitious target of preparing an updated constitution for consideration by company members by March 2018.

Before company members are asked to vote on the proposed new constitution, at a specially convened general meeting in March, the Board has decided there will be an information meeting to enable the document to be introduced to members, along with the rationale for any changes proposed.

The meeting will take the form of a presentation, highlighting proposed changes, and be followed by a question and answer session. Copies of the proposed constitution will be available on the night.

The meeting will be to provide information and to answer your questions. No decisions will be made.

Decisions about whether to adopt or reject the proposals will be made at the general meeting of company members on March 27.

Quality springs from good leadership and leadership depends on sound governance. The constitution provides the foundation of good governance so it is important we get it right.

Information meeting details:

Day: Tuesday 27 February 2018

Time: 7.00pm

Place: Geoff James Theatre, Highview College

Your attendance will be welcomed

Chair - Constitution Sub-Committee

PIZZA DAY

Pizza Day

Tuesday 27 Feb

\$2.00 Slice

\$2.00 can soft drink

Meal Deal

2 x Pizza can drink

\$5.00

Full Pizza \$12.00

Thanks to students and staff for purchasing pizzas on 13 February.

All proceeds from these sales are heading off with our students to Fiji and Thailand.

In total, we have 6 staff members and 30 students heading to these two countries in the Easter holidays.

Once there we will volunteer in the villages to help with their schools and infrastructure. All the money will be spent on making their lives better.

We will be having another Pizza Day next week on Tuesday 27 February. So, mums, dads and guardians have a day off from making lunches and give the students some money to support this wonderful cause.

SCHOOL PHOTO DAY

Last week, we had the first of many lasts for this year – school photo day. It felt like it was only yesterday when we turned up to school in Year 7, with our neatly ironed shirts and shiny black shoes.

Looking back over the school photos, reminds of us, of not only how much we have changed, but how much we have remained the same. From the young and eager Years 7s, to the rebellious and maturing Year 9s to now, the grown-up and sensible Year 12s. This small event marks the start of a year of big of change and a chance for us to reflect on what our time at Highview College has meant to us.

School Captains

PANCAKE RACE

Once again the annual Shrove Tuesday Pancake race took place. This year the teams were DELTA groups which led to more teams racing at the one time. There was a great turn out from the junior classes with all Years 7 to 10 DELTA groups present. Students competed seriously with a battle between 10B and 10C at the end. Unfortunately, 10B were disqualified for dropping and breaking their pancake. The following points were appointed to the participants and their house:

Wesley: 23 points
Chisholm: 22 points
Campbell: 21 points
Butler: 20 points

Thank you to all who participated.

Mrs Waterson and Mrs Freemantle

HIGHVIEW BLAZERS

Orders are now being taken at Macks Fashion & Surf for blazers, to be collected prior to the commencement of Term 2.

Orders will be taken up until 16 March 2018 with a \$100 deposit to secure the order. The cost of the blazer is \$180.00

Ongoing orders will be taken throughout the year however this is an opportunity to ensure Blazer availability at the commencement of Term 2.

PRIVATE MUSIC PROGRAM 2018

We have the following instruments available for private music lessons:

Piano/keyboard
Guitar (Electric or Acoustic)
Bass Guitar
Drums/Percussion
Voice

No prior musical knowledge is required just a sense of fun and a commitment to practice. Students participating in the instrumental music program are withdrawn from their normal classes on a rotating timetable for a 30 minute lesson. Cost is \$27 per lesson. There is also a number of opportunities for students to play in a range of performing groups throughout the year.

Please express your child's interest for the Instrumental Music Program for 2018 to Reception or email kcrotchfield@highview.vic.edu.au

Accounts

FROM THE ACCOUNTS DEPARTMENT

School Fee Payments – direct deposits

When making direct deposits into the Highview bank account for the payment of your fees please include a reference including your surname and account number. The details for bank deposits are found on your fee statement.

Fee statements are forwarded via email to the allocated fee payer of each student, so please make sure your email details are up to date. Term Fees are due at the beginning of each term.

If you have any queries, please email accounts@highview.vic.edu.au or phone 03 5459 1000.

Conveyance Allowance

The conveyance allowance is a form of financial assistance to help families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school/campus. The conveyance allowance is available to eligible students travelling by public transport, private car and public bus.

In summary for Highview Students to be eligible:

- Students must attend their closest non-government 'Christian' College
- Reside 4.8km or more from Highview
- Reside 4.8km or more from the closest "Free Bus Service" bus stop

Forms are available from the Highview Office.

For more information please refer to www.education.vic.gov.au or contact the Highview office on 03 5459 1000.

ACCOUNTS Cont...

Camps Sports and Excursion Fund (CSEF)

CSEF is provided by the Victorian Government to assist families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means tested concession card or are a temporary foster parent, you may be eligible for CSEF. The CSEF is paid directly to the school and is allocated to the school camp/excursion portion of the school fees. Forms will be accepted until 28 June 2018 however forms are encouraged to be returned as soon as possible. Forms are available from the office or our website.

For more information please refer to www.education.vic.gov.au or contact the Highview office on 03 5459 1000.

YEAR 7 SCIENCE

So far in Science, 7B has done a lot of things to do with how the lab operates and how to be safe in the lab. We have used the website STILE to complete some lessons on this topic.

One of the most important things that we have learned in Science is how to use the bunsen burner. We have all shown that we can safely use the bunsen burner, and we have all received a licence to show this.

Fern Winnell - Year 7

PARENT PAPERWORK

Occasionally Highview College has extra excursion costs and as part of the introduction of online Parent Paperwork we will now add these costs to the student's school fees account. This hopefully will improve and streamline the process for the school and parent/guardian.

Where possible, excursion costs that are part of the yearly curriculum will be added to the booklist or subject levies. Otherwise you will find these costs itemised on your school fee account.

Please pay these amounts by the due date into your school fees account. It is very important that you reference these payments with your school account number. Please contact Accounts if you have any queries.

COLES SPORTS FOR SCHOOLS

The Coles 'Sports for Schools' program has started and Highview College is participating

When you shop at Coles Supermarkets, you will receive a voucher for every \$10 spent.

Bring your vouchers into the office and place them in the Coles box by 11 May.

All the vouchers we collect will go towards purchasing sporting equipment for our students.

The more vouchers we can collect the better. Be sure to collect as many as you can from your family and friends.

Mrs Lucy Freemantle
Head of Physical Education

CAN YOU HELP?

CAREERS

YEAR 10

Work Experience

The final week of Term 2 (25-29 June) is Work Experience Week for all Year 10 students at Highview. This week is designed to give students insight into an industry they are considering working in when they leave school.

Students should be in the process of contacting businesses now to arrange their placement. It is an expectation that students find their own placement, however please do not hesitate to contact Mrs Howlett if assistance is required. Please note: if a student is wishing to complete their placement at a hospital, they will need to contact Mrs Howlett who will arrange the placement for them.

Once a placement has been found:

- Collect a Work Experience Arrangement Form from the Careers Office in the Technology Building.
- Have student, parent/guardian and employer complete and sign their sections of the form.
- Return Form to Mrs Howlett in the Careers Office (can be via Reception).

YEAR 12

The importance of staying connected with your preferred learning institutions prior to further study

Many courses accept Year 12 graduates on the basis of their ATAR (Australian Tertiary Admissions Rank) and meeting any prerequisite subject requirements. Some courses, however, have additional requirements (e.g. an audition, a folio presentation, completion of a selection kit, attendance at an interview). You are advised to check these out on the Victorian Tertiary Admissions Centre (VTAC) website (www.vtac.edu.au). Applicants for courses apply on the VTAC website, commencing in August each year. Up to eight courses can be applied for.

In addition, it is helpful to attend open days, seminars and information sessions at your preferred future learning institution(s). Universities, TAFE's and some independent providers open their doors, usually once a year on Sundays in August, for the public to see facilities, attend information sessions, talk to staff and current students, and to check out clubs and societies. These are useful for obtaining a more in-depth experience of a particular institution and its courses. Dates will be published soon for your diary.

Overseas Volunteer Trips for High School Students

Projects Abroad offers a range of exciting two-week programmes for high school students in years 10 and 11. The summer projects for 2018/19 are based in Cambodia, Fiji, Nepal, Sri Lanka and Thailand. We also have a range of destinations available for our mid-year projects including Peru, Tanzania and Vietnam.

These projects give Australian students the chance to travel to stunning destinations where they can explore new cultures and make a difference in a supportive environment, alongside like-minded volunteers from around the globe.

Through practical, first-hand experience, students will learn the value of teamwork, leadership and cultural appreciation. These projects are a safe, sustainable and worthwhile way for students to discover the world around them and to learn more about their own strengths and capabilities.

Projects Abroad

Founded in 1992, Projects Abroad sends over 10,000 volunteers away annually to 30 developing countries, and supports over 1,000 individual projects in childcare, education, conservation, healthcare, and human rights. Projects Abroad placements allow the volunteer to make a positive impact and form a genuine connection to the community in which they work.

Projects Abroad Impact – A Global Effort

Joining a High School Project means a lot more than a trip overseas – as a volunteer you can contribute to our long-term goals and long-lasting positive impact on the communities we work with. We set these long-term goals according to local need to ensure our projects can adapt and develop along with the community. Projects Abroad places great importance on measuring our impact and appreciates the effort and contribution of all volunteers.

Sustainability and ongoing development are always in mind when setting our project goals, and we support ethical travel guidelines when considering each detail of our itineraries.

In 2017 alone, Projects Abroad hosted 1,700 volunteers aged 15-18 on our High School Projects – together these volunteers made incredible progress towards a number of our long-term goals.
